## Do we hold the correct information about your business?

This registration certificate contains information about your business. It is your responsibility to ensure that the information is correct. If it is incorrect, you should report the correct information to the Danish Business Authority (Erhvervsstyrelsen). You can do so by logging on to [www.indberet.virk.dk](http://www.indberet.virk.dk) using your NemID.

### If there are changes to your business

You have a duty to report any changes to your business to the Danish Business Authority. This may be if, for example, you change your business address, stop being an employer or close down your business. When you report a change, it is important that you enter the correct date from which the change will apply.

Once you have reported the new information, you can obtain your updated registration certificate by logging on to [www.skat.dk/tastselverhverv](http://www.skat.dk/tastselverhverv) and selecting 'Profil' → 'Registreringsbevis' (Registration certificate).

### If this is the first time you set up a business

Please see [www.skat.dk/ownbusiness](http://www.skat.dk/ownbusiness) where you will find answers to many of your questions.
